MEMORANDUM FOR: Chief, General Sciences Division, OSI

ATTENTION :

[REDACTED]

FROM :

Chief, CIA/PID(NPIC)

SUBJECT :

Requirement C-SI3-80,252  
CIA/PID(NPIC) Project C813-63

REFERENCE :

Memorandum from Chief, OSI/CSD, 1 August 1963

1. The referenced memorandum requested that Project C813-63, Krasnoyarsk Institute of Nonferrous Metals, be extended until such time as information becomes available to provide a useful study of the facility.

2. It has always been a practice of this Division to provide whatever information is available at the time a requirement is answered. Then, as requestors follow the input of new information sources available, they once again submit a request through their requirements officers.

3. Continued observance of this procedure has the approval of [REDACTED] representative to NPIC, who has explained the matter to [REDACTED] to his satisfaction.

4. At such time as new source materials become available, the Division looks forward to providing maximum support to your endeavor.
